To whomever it may concern,

On July 8, 2019, we responded to your request for follow up to your California Public Records Act Request you had originally submitted on December 27, 2019. At that time this request was assigned request number # 19-15. Your original letter requested:

Number of Predictive Algorithmic software packages or service agreements designed to anticipate criminal activities in place with this department or agency. Please specify if software has been purchased or if services are performed by outside contractors for the department or agency.

Any documents or correspondence during the period encompassing this request regarding possible or planned acquisition of Predictive Algorithmic software packages or service agreements.

Any existing or proposed usage policies regarding the use of Predictive Algorithmic software packages or service agreements. Including protocols, training documents, data storage procedures and prohibited activities.

Any current or past litigation involving or referencing this department or agency involving the use of Predictive Algorithmic Software Packages or Service Contractors.

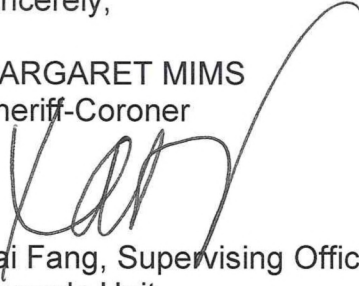

Your request is still being reviewed for processing, at this time we are experiencing a much higher number of requests and we ask for your patience until we can provide you with answers.

Should you have further questions, please contact the numbers provided below.

Dedicated to Protect & Serve

Sincerely,

MARGARET MIMS
Sheriff-Coroner
